

Ideally located in the beauty of nature Khao Lak Green Beach Resort has established itself as a relaxing accommodation among the natural pleasures of lush greenery, brilliance of tropical sun, silver-white sand and clear blue water of the Andaman Sea.

Situated 80 kilometers away from Phuket International Airport or an hour drive, it is a place of perfect sunsets, unspoiled tropical beaches and cascading mountains.

ACCOMMODATION

The resort offers 40 country style cottages (full project); single style and connecting style cottages with fan and air-conditioned rooms furnished with unique bamboo furniture.

Some Deluxe rooms have twin bath-rooms, indoor and outdoor arranged you to enjoy a touch of green garden under the sky.

ACTIVITIES

If you are a person who loves adventure, we recommend both Similan Islands and Surin Islands for diving trips. Fishing on your holiday at the Andaman Sea might be the best alternative for you while spending time with us.

Elephant or Jungle Trekking at Khao Sok National Park will be wonderful as optional tour.

In addition, other interesting places such as James Bond Island, Sri Phang-Nga National Park and Takua Pa Old Town are not too far for you to discover.

THE ANCIENT PINE TREE

An over five hundred years old pine tree, a testament to peaceful goodluck, highlights this resort of being the best nature and healthful environment of the area, and it could sustain the Tsunami disaster on December 26, 04 at 10.20 hr.

Isaac Newton and Benjamin Franklin discovered their miracle law of nature under apple trees, you may make your own legend discovery under this ancient pine tree.
