

Enjoy the comforts of Thai Culture and Hospitality at Thailife Homestay.

Thai Life Homestay is the first Homestay in the Khao Lak area aiming to combine accommodation, beach, sand and sea with the rich Thai Culture. It consists of beautiful Thai houses amongst a 25-year-old cashew nut garden with panoramic views of the surrounding nature including a freshwater lagoon. Landscaped gardens, mountain views and a 10 minute walk to the pristine unspoiled beach are just a couple of the things we offer.
